EASY CLEAN

No fuss maintenance

Whether in commercial environments or the home, accidents can happen. Eclipse's durable surface ensures effortless cleaning. Just a gentle wipe with soapy water removes dirt and smudges.

DURABLE

Designed for longevity

Eclipse withstands the rigours of constant use without compromising on quality, making it the perfect choice for interiors where durability meets design.

WATERPROOF

Actively repels water

Eclipse withstands moisture, making it ideal for environments prone to high humidity and water splashes, such as the gym, the pool or even in a home kitchen or bathroom.

HYGIENIC

Treated with Sanitized® Protection

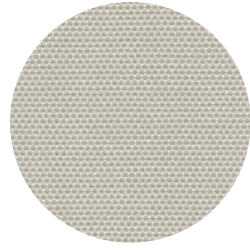

Eclipse with Sanitized® Protection inhibits the growth of bacteria, mould and mildew. This antimicrobial hygiene function enhances the performance of your shades for added comfort and peace of mind.
